

CIVIL DEFENCE OFFICE

OUT FALL ROAD, LAHORE.

To,

The Dy. Director Town Planning,
(ZONE-III), LDA, Lahore.

No.CDL-FC-2021/517b

Dated: 23-08-2021

Subject: - VETTING OF ELECTRIFICATION & FIRE SAFETY OF REVISED COMMERCIAL BUILDING PLAN (GULBERG CITY CENTRE) AT PLOT NO. 5, BLOCK K, GULBER-II, LAHORE.

Kindly refer Letter No. LDA-TP / 1142, date 12-07-2021 on the subject cited above.

The proposed site plan of revised commercial building which will construct at Plot no. 5, Block-K, Gulber-II, Lahore submitted by Mr. Majid Ali Etc, for vetting of Fire Safety Plan.

The said plan examined by this office. According to the site plan the area of site is 55,300 Sqft (12.28 Kanal). The building contain Twenty Eight (28) floors (03 Basement, Lower Ground, Ground, Ground Inter Floor, Mezzanine 1st to 4th, 4th inter floor & 5th to 20th). The applicants / owners of the building left proper buffer area around the site for life savers. Adequate fire safety arrangements are shown in the site plan. Hence, this office is vetting the same with the direction to ensure its installation before commencement the business.

The applicants / owners of the premises has furnished an affidavit to the effect that will be bound to follow rules / regulations / directions in this behalf to beef up firefighting equipments / arrangements before completions of their building.

In the light of above, it is, therefore, requested that the completion certificate must be subject to NOC to this office in future.
